

## Let's Recycle Styrofoam

Did you know Styrofoam isn't recycled in Bergen County? All of our Styrofoam ends up in landfill and it never goes away!! Our Styrofoam takes up 30% of landfill space. That's a lot of space! Now you can do something about it. Bring your clean, dry, uncontaminated packaging Styrofoam to the Bergen County Styrofoam Collection Drive for

One Weekend Only

# Bergen County Styrofoam Collection Drive

STYROFOAM PACKAGING ONLY

NO food containers
